WHAT IS the Evolve Reach A² (HESI Exam)?

Evolve Reach Admission Assessment (A²) consists of eight exams. HBU requires three academic exams (listed below), and only the three required exam subscores will be considered for entry into the HBU nursing program. Each subscore required must be 75% or higher to be considered for admission to the HBU School of Nursing and Allied Health.

The individual exams are not timed, but the test session is timed. Examinees have a three hour timed test session in which to take the exams needed. It is important that each examinee be aware of school(s) admission requirements where they plan to send these scores; examinees are responsible for taking the correct exams.
