2012 - 2013 Financial Affidavit International Graduate Students

School of Business

(Master of Business Administration)

Under U.S. law, the university must have certain information, including evidence of adequate financial resources, before issuing an I-20 form (for a student F-1 visa). Please complete this form and attach the necessary documentation to it. Keep copies of all financial documents submitted, as you will need to present the same information to the U.S. consulate or embassy when obtaining a visa. You may be requested to show it again when you pass through Immigration inspection coming into the U.S.

<u>Important Note</u>: If you will be accompanied by any dependents, please give their names, dates of birth, countries of birth and countries of citizenship on page 3 of this form, so they can be issued appropriate documentation. Please, include copies of their passports.
