

APPROVAL FOR CLINICAL TEACHING UNDERGRADUATE

Clinical Teaching is among the final requirements for a teaching certification. It is a part of the professional education requirements. **A Clinical Teaching: Undergraduate Application must be submitted at least 2 semesters prior to the clinical teaching semester.** It must be done during last semester in the program prior to graduation. During the Clinical Teaching semester you are required to attend EDUC 4400 Clinical Teaching Seminar each Tuesday afternoon.

Admission to Clinical Teaching is not automatic upon completion of required courses. It is contingent upon approval by the Dean of the College of Education and Behavioral Sciences or designated representative.
