## Camps & Conferences Policy

Each year, Houston Baptist University is the venue for a variety of camps, workshops and conferences. To facilitate the many and varied requests of groups, the Office of Events & Conferences at Houston Baptist University is a one-stop shop for all events, providing the following services: reservations on the University master calendar for all use of campus space when not in use by academic courses or University initiatives, event planning consultation and assistance with arranging services, coordination of logistics to include: ARAMARK Higher Education (food service, catering, linens), Media Services (Audio / Visual), Campus Services (facility set-up, equipment rental, summer lodging), Police support (parking, security coverage), Information Technology, Maintenance, and Custodial.

### Eligibility

If space is available and the purpose of the group aligns with the Christian vision, mission, and purpose of the University\*, the University Events & Conferences staff will meet with the group coordinator to determine if HBU will provide a mutually agreeable venue. Houston Baptist University reserves the right to assign an Admissions Counselor to hold a session to speak on behalf of the University for recruiting purposes.

*HBU complies with all applicable federal and state non-discrimination laws and does not engage in prohibited discrimination on the basis of race, color, nationality, or ethnic origin, gender, age or disability in either employment or the provision of services. Inquiries concerning this notice or the application of the laws referenced herein should be referred to the Vice President, Financial Operations.*

### Group Size

An estimated number of participants is recorded on the **Summer Program Request Form**. Any time a group changes the number of participants, the group’s coordinator should notify University Events and Conferences in writing. It is mandatory that, **two weeks** prior to arrival on campus, the group coordinator communicate, in writing, a final number of group participants and staff using the **Prior Arrival Form**. Housing space and food will then be prepared for that number of people. Dining services will charge groups for meals by the number listed on the **Prior Arrival Form** until the **Confirmation of Group Size Form** is received at which time will be adjusted to whichever is greater in number. If you arrive with less than what was stated on your **Prior Arrival Form** you must pay accordingly, due to prior food supplying and staff scheduling. **Commuters are charged a daily dining and facilities use fee.**

By **10:00 a.m.** on the calendar day following each group’s arrival on campus, the groups coordinator **MUST** provide the following to the University Events and Conference’s staff (Morris Cultural Arts Center, 183):

- A revised roster accurately and legibly listing all participants (commuter and overnight) and staff along with room assignments where applicable
- Sign and return the Confirmation of Group Size Form

(\*If you are not familiar with the University’s vision, mission and purpose, please visit the “About Us” link on the HBU homepage – [www.hbu.edu](http://www.hbu.edu).)
